

**APJ Abdul Kalam Technological University
Thiruvananthapuram**

Abstract

APJAKTU - ACADEMIC - CGPA to Percentage Conversion - Resolution of the Academic Council - Implemented - Orders issued -Reg.

ACADEMIC SECTION

U.O.No. 1584/2023/KTU

Thiruvananthapuram, Dated: 29.06.2023

*Read:-*1. U.No. 586/2023/Ktu Dated 10-03-2023

2.Minutes of the 23 rd meeting of the Academic Council held on 9/06/2023, item no: 023.3.13

ORDER

Various student organizations had submitted requests to change the formula for conversion of CGPA to Percentage by deleting the constant (2.5) for the B.Tech Programmes. It is pointed out that the present method of conversion adopted at the University is causing difficulty to the students while applying for competitive examinations and while applying for jobs when the students of the University fall back in the rank lists. Some of the other State Universities and National Institutions use the conversion formula of $10 \times \text{CGPA}$. Currently, University uses the formula as in the Regulation for B.Tech, 2019, R6.21: Equivalent percentage mark shall be $= 10 \times \text{CGPA} - 2.5$

Vide paper read above, the 23rd meeting of the Academic Council resolved item no: 023.3.13 to amend the regulations for the 2019 Scheme to change the CGPA to Percentage conversion formula for the 2019 regulations as $\% \text{ marks} = \text{CGPA} \times 10$.

Sanction has been accorded by the Hon'ble Vice Chancellor to implement the resolution of the Academic Council as amend the Regulation for B.Tech, 2019, R6.21: **Equivalent percentage of mark shall be $= 10 \times \text{CGPA}$** . The resolution shall be reported to the Syndicate.

Orders are issued accordingly.
